

Beeston Dental Practice

"This project was a nice challenge, Chris [Navarro] wanted to convert the existing staff room into a further surgery and the existing toilet into a private waiting room. The surgery was refurbished to a high spec and the colour scheme worked really well. The overall look of the surgery and waiting room was excellent. I would like to thank Chris for recommending DB Dental following the design and installation."

"Their personal approach is the reason I chose to use DB Dental rather than Henry Schien or Directory. I was listened to. My detailed drawings were looked at and considered. DB Dental cared about the finished article just as I did - I wasn't just another sale, I got the feeling I was going to be looked after from the beginning to the end."

- Chris Navarro, Beeston Dental Practice
